

# Hiring a great Family Practice Physician

Join our team (camouflage optional)

*Nestled in the heart of the Missouri Ozarks, General Leonard Wood Army Community Hospital offers physicians and nurses the best of all worlds. Whether it's big city shopping and major league sports or quiet, rural settings great for raising a family or enjoying retirement, GLWACH is the place for you. So, c'mon over to where the staff is warm and friendly, and we serve those who serve America with Compassion and Courage.*

At General Leonard Wood Army Community Hospital, we're looking for a Family Practice Physician to serve our military health beneficiaries in an outpatient setting with some inpatient duties.

Scope of duties include, but are not limited to:

- ✓ Examination.
- ✓ Diagnosis.
- ✓ Prevention and treatment for medical, surgical, obstetric, gynecological and orthopedic care.
- ✓ Must provide a full scope of general practice services for patients and serve as the primary care physician for pediatric, adolescent and adult patients who have both acute and chronic illnesses and conditions. These cover the entire spectrum of medicine, including general and subspecialty surgical, gynecologic, psychiatric and other illnesses and conditions.
- ✓ Must be able to see patients, take histories, perform physical exams, order x-ray, diagnostic and laboratory tests, diagnose and treat the listed illnesses from above, and refer as appropriate to specialty/subspecialty care.
- ✓ Additionally, will perform standard inpatient and outpatient duties as required.

## Qualifications:

- ✓ MD or DO
- ✓ BC or BE
- ✓ Current, unrestricted Family Medicine license
- ✓ ACLS and BLS certifications
- ✓ U.S. Citizen

## Available benefits include:

- ✓ Comprehensive health and life insurance
- ✓ Flexible spending accounts
- ✓ Term life insurance
- ✓ Long-term care insurance
- ✓ Paid holidays, sick leave and vacation time
- ✓ Generous retirement plan
- ✓ Bonuses, incentives and awards as appropriate for your position
- ✓ Competitive salaries
- ✓ Annual pay increases and local pay adjustments
- ✓ Paid employment-related training and education
